Dear Supervisors:

**HIGHWAYS-THROUGH-CITIES  
AVIATION BOULEVARD AT ROSECRANS AVENUE  
CITIES OF EL SEGUNDO AND HAWTHORNE  
RESOLUTION NO. 3897  
SUPERVISORIAL DISTRICTS 2 AND 4  
4 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Acting as a responsible agency pursuant to the California Environmental Quality Act, consider the enclosed Notice of Exemption, prepared by the City of Hawthorne; find that the Aviation Boulevard at Rosecrans Avenue intersection improvement will not have a significant effect on the environment; find that the Notice of Exemption reflects the independent judgment of the County; and approve the Notice of Exemption.
2. Adopt the enclosed Resolution finding that the proposed widening of the intersection of Aviation Boulevard at Rosecrans Avenue, within the Cities of Hawthorne and El Segundo, is of general County interest and providing that County-aid shall be extended for this project to the City of Hawthorne in the amount of \$150,000 and to the City of El Segundo in the amount of \$150,000 from the Second and Fourth Supervisorial Districts' Road Construction Programs.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The City of Hawthorne is proceeding with a project to widen the intersection of Aviation Boulevard at Rosecrans Avenue, which is jurisdictionally shared between the Cities of El Segundo and Hawthorne. Your Board's adoption of the enclosed Resolution will authorize the expenditure of County Highways-Through-Cities funds in the Cities of El Segundo and Hawthorne for this intersection widening project.

Sections 1680-1683 of the California Streets and Highways Code provide that the board of supervisors of any county may, by a resolution adopted by a four-fifths vote of its members, determine that certain types of road improvements on specified streets are of general county interest and that county-aid shall be provided. County-aid may be provided in the form of labor, equipment and materials, or a direct payment to the city.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County's Strategic Plan Goal of Service Excellence. By widening the intersection of Aviation Boulevard at Rosecrans Avenue, residents of the Cities of Hawthorne and El Segundo and nearby unincorporated County areas, who travel through this intersection, will benefit from the enhanced safety of the roadway, which will improve their quality of life.

### **FISCAL IMPACT/FINANCING**

The total project cost is estimated to be \$11,400,000 of which \$300,000 will be financed by the County. Funding for this project is available from the Second and Fourth Supervisorial District's Road Construction Programs included in the Fiscal Year 2004-05 Road Fund Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The enclosed Resolution has been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

On January 10, 1991, the City of Hawthorne prepared a Notice of Exemption citing California Environmental Quality Act guidelines, in accordance with the requirements of the Act.

The Honorable Board of Supervisors

Under the California Environmental Quality Act, the County is a "responsible agency" whose discretionary approval of the project is required in order for the City to carry out the project. The recommended findings are in accordance with the California Environmental Quality Act and are required prior to your Board's granting of County Highways-Through-Cities aid.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The intersection of Aviation Boulevard at Rosecrans Avenue is on the County's Highway Plan, and the proposed intersection improvements are needed and of general County interest. No impact on current services or projects will result from this action.

**CONCLUSION**

Please return one approved copy of this letter and one certified copy of the adopted Resolution to Public Works.

Respectfully submitted,
